

Check List to Achieve Basic GFP Accreditation

- Register for the [Vetsure Hub](#)
 - Click 'Training' and watch the Graduate Friendly Practice webinars
(if you have never used our training platform you will need to [register](#) please refer to [page 7](#) of the 'Managers Support Pack').
- Complete and pass multiple choice questions with 100% to confirm understanding of the webinars.
- Download, read and personalise performance management templates from '[Resources](#)'.
- Read, agree and sign the [commitment contract](#) and return to Vetsure.
- Set up internal processes to deliver on the points set out in the commitment contract.
- Promote your new accreditation status:
 - Order and display GFP sticker in your practice window
 - Frame and hang your GFP certificate in reception
 - Update your website to include [GFP logo](#)
 - Add [EMS page](#) on your website
 - Add news item online and in any relevant newsletters
 - Talk about your new accreditation on your social media accounts
